NEW OFFICERS OF CADDO-BOSSIER ALUMNI UNIT

New officers elected for the Caddo-Bossier Alumni unit are as follows: Left, Bob Wilson, president; Dr. Dwight W. McCartney (not pictured), vice-president; center, Mrs. Janette Pace Boswell, secretary; and right, Gayle Colgin, treasurer.

More than 100 alumni were present at a pancake supper in the Bossier High School cafeteria. Special guests for the occasion were Coach Huey Cranford and two of his basketball team, Mickey Crnkovic and Jimmie Leach. Mr. Hennigan, to whom we are indebted for the picture, also accompanied the group to Bossier City for the meeting.

NATIONAL SCIENCE FOUNDATION ASSISTS HIGH SCHOOL SCIENCE TEACHERS

In an effort to improve the qualifications of high school teachers of Biology and Chemistry, the National Science Foundation is offering a stipend to teachers of these subjects who have eighteen or less semester hours of credit in biology or in chemistry.

Fifty such stipends are being offered to teachers of these subjects who attend the Science Institute at the College this summer. Those being selected for the awards should have at least three years of teaching experience in either or both subjects.

According to Dr. Grady Erwin, Head of the Biology Department, most of the recipients of the awards have been selected and will be notified immediately upon completion of the list of fifty.

The plan of operation for the

summer is to aid those now engaged in teaching these subjects. The three-year experience limitation is placed upon the recipients because it is thought these teachers will remain in the science field after that length of time teaching these subjects. The plan next year may offer assistance to those desiring more advanced work.

Stipends of \$675 for the nine-weeks summer session will be paid each person selected. In addition to the \$675, there is an allowance of \$135 for each dependent, up to four dependents. An added allowance is travel expenses for one round trip at 4-cents per mile, not to exceed \$80.

The number of applications that have been received indicates that the teachers of biology and

chemistry are much interested in the project. The ultimate value of such awards by the National Science Foundation is the improved teaching received by high school students from teachers having a wider and richer background in the subject matter being presented.

199 GRADUATE IN JUNE

Commencement week for 199 candidates for graduation will begin Sunday, June 1, when Rev. William E. Trice of University Methodist Church, Baton Rouge, will preach the Baccalaureate sermon.

Mr. Paul F. O'Brien, Sr., President, O'Brien Bros., Inc., of Shreveport, will address the graduates on Tuesday evening, June 3, in Fine Arts Auditorium. Degrees will be conferred on the candidates by President John S. Kyser.

EIGHT CLASSES TO BE HONORED AT FALL HOMECOMING

All classes who graduated in years ending in the figure 8 will be honored at Homecoming Day this fall. Beginning with the Class of 1958, honorees will be the classes of 1948, 1938, 1928, 1918, 1908, 1898, and 1888. Special recognition will be given the fifty-year class of 1908 and the twenty-five year class of 1933.

The earliest graduate present will be presented with a corsage. Last year there were eight present who graduated between the years of 1896 and 1907. A special effort is being made to get as many of the 50-year class as possible to attend.

Listed below are the names of the 1908 classes (calendar year) as far as we have been able to determine. They are listed with the last known address, and the women of the group are listed by their maiden names and married names as we have them. Any corrections to this list would be appreciated by the Alumni Office.

Alphabetically, by maiden name, they are:

Pearl Alford (Mrs. D. A. Murphy), Oakdale; Ada Allen (Mrs. Ada A. Smith), Plaquemine; Myra Anne Babin (Mrs. Anslem Landry), Union; Madelyn Blackshear (Mrs. C. W. Phillips), Monroe; Fannie Brent Blackman (Mrs. Walter DeRouen), Sulphur; Helen Sarah Blum (Mrs. J. S. Rawlins), Boyce; Jessie Booksh (Mrs. O. C. Roemer), Gross Tete; Mary Boylston (Mrs. M. B. Crichton), Ruston; Clara Alma Brian, Verda; Maud Bridwell (Mrs. R. A. KEITH WEST, DALE HOFFPAUIR, and BOBBY WICKER

Three of Coach Ledet's field men, who are always point getters, are pictured above. They are, from right to left, Keith West, who puts the shot and throws the discus; Dale Hoffpauir, javelin; and Bobby Wicker, high jump and member of relay team.

DEMON TRACKSTERS TOPPLE McNEESE

In the final track meet prior to the Gulf States Conference championship meet, the Demons avenged their only loss of the season to G.S.C. competition when they downed the McNeese State College Cowboys 89½ to 51½ on Thursday night, May 8, on the Demon track. McNeese edged the Demons in a triangular meet early in the season when the Demon 440 relay team dropped the baton.

The Demons placed first in 12 of 17 events to take a commanding lead over McNeese. In addition they took seven second places, earned one tie for second, and placed third in six events and tied one third place.

High point men for the Demons were Childress, two first places and two second; Steve Jordan, two first places and one second; and Heckel, who placed first in two events and third in one. Childress and Jordan also took part in the relays. Other first-place winners were Hennigan (440-yd. dash), Liepens (javelin), and Wicker (high jump).

The Demons made a clean sweep of the relays, winning the 440, 880, and the mile.

Childress set a new college record when he was clocked in :14.5 in the high hurdles, breaking his own college record of :14.6 seconds. The time for some of the events showed improvement by the Demons; however no other new College records were broken.

G. S. C. MEET TO BE CLOSED

On the basis of past performances, which is not always a good criterion, the results of the Conference Meet, which will be held in Lafayette on May 16 and 17, will depend upon how the points are divided among the three major contenders for the championship. It will be a nip-and-tuck affair between Northwestern State, McNeese State, and Louisiana Tech. Northeast State has some top-ranking performers but lacks enough depth to enable the Indians to be serious contenders for the championship.

Coach Walter Ledet and his squad have been working hard because they realize the difficulty of winning the championship for the sixth consecutive time.

Results of the N.S.C.-McNeese Meet:

100 yd. dash: Jordan (NSC), Childress (NSC), Scott (McN). Time: :09.8 seconds. 220 yd. dash: Jordan (NSC), Childress (NSC), Scott (McN). Time: :21.5. 440 yd. dash: Hennigan (NSC), Graham (McN), James (NSC). Time: :48.6. 880 yd. dash: Fontenot (McN), Smith (NSC), M. Herring (NSC). Time 1:57.4. Mile run: Chrisholm (McN), Krowski (McN), Frater (McN). Time 4:24.3. Two-mile run: Frater (McN), Krowski (McN), Timm (NSC). Time: 10:02.4. High hurdles: Childress (NSC), Creppel (McN), Green (NSC). Time :14.5. Low hurdles: Childress (NSC), Creppel (McN), Hinton (McN). Time :24.2. 440-yd. re-

lay: (NSC) Tolar, Wicker, Jerry Haynes, Jordan. Time :43.1. 880-yd. relay: (NSC) Haynes, Don Deen, Hennigan, Jordan. Time 1:29.7. Mile relay: (NSC) Paul Herring, Deen, Smith, Hennigan. Time 3:21.0. Shot put: Heckel (NSC), Thomas (NSC), Nessmith (McN). Distance: 49' 9". Javelin: Liepens (NSC), Hofpauir (NSC), Heckel (NSC). Distance 204' 6¼". High Jump: Wicker (NSC) and Vandergriff (McN) (tie), Taylor (NSC), and Creppel (McN): 6'0". Discus: Heckel (NSC), Keith West (NSC), Nessmith (McN). Distance: 139' 5". Broad Jump: Don Troutman (McN), Jordan (NSC), Tolar (NSC). Distance: 24' 4". Pole Vault: Allen (McN), (tie) Farrar (NSC) and Nordier (McN). Height: 13' 2".

BASEBALL TEAM FALTERS LOSE FOUR IN A ROW

The Demon baseball team, after winning a double header from Southwestern on May 3, appeared to be sailing along toward a possible G.S.C. championship. At that time the Demons sported a .700 average, having won 7 games and lost four in the conference.

Trying to make up postponed games that had been rained out, the Demons played single games on May 5 and 6 and a double header on May 7. A sudden drop in both hitting and pitching left them on the short end of the score in all four games, played in three days.

They lost to McNeese 3-9, to Louisiana Tech 3-13, and a double

header to Northeast 5-10 and 3-5, bringing their conference percentage to .500 on a 7 won, 7 lost record. Only one other game in conference play remains on the schedule, and a win in this game would give little chance to win the title.

The Demons have a 13-11 record for the season.

TENNIS TEAM CLOSES SEASON

The Northwestern tennis team, starting from scratch last year, have shown signs of improvement during the year.

In eleven matches played this season, they have won three, tied one, and lost seven. They have gained valuable experience and should develop into a stronger group next year. There are no seniors on the team.

The team is composed of Wade Parsons of Shreveport, playing the number one position; Jim Dowden of Shreveport, number two; Levi Thompson, Waterproof, number three; Bill Chamberlain of Elizabeth, number four, with Charles Bice of Winnfield and Michael Lelong of Coushatta, alternating at the number five position.

Most consistent point getters for the team were number three, four and five men, with Bill Chamberlain having won the most points.

Last season the tennis team won one match.

AWARD FELLOWSHIP

Ronald Allen Harlan, senior student in chemistry of Montgomery, has been awarded a fellowship at Florida State University to do research in nuclear chemistry.

Harlan, a member of Phi Kappa Phi, honorary scholastic fraternity, has an overall average of 2.7 out of a possible 3.0. He will receive his B.S. Degree in chemistry at the end of the spring semester.

He is the second student from Montgomery to enter the nuclear field, the other being Dr. Frank Lonardier, who received his Ph.D. Degree from University of Texas during the past year.

Three of the five chemistry graduates during this year have received fellowships. Besides Harlan, the other two were Jimmy Hill, presently at University of Illinois, and Wayne Rigdon, enrolled at Purdue University.

WILLIAMSON HALL TO BE OCCUPIED THIS SUMMER

The Biology Department plans to start moving immediately into the recently completed Williamson Hall so as to be ready for operations in the new quarters for the summer session.

Equipment is being installed as rapidly as possible, and the summer school should find the department enjoying their new, commodious quarters. Laboratory facilities are of the latest modern design, and many new pieces of equipment will afford a greater range of study and research than has been possible before.

Other buildings on the campus that should be ready for occupancy in the fall semester are the two new dormitories. The addition to Caspari Hall will accommodate 100 men students, and the new women's dormitory, Natchitoches Hall, will house 200

Isabelle Stewart (Mrs. Murray Sumrall), Lake Charles; Hattie Clyde Taylor (Mrs. D. J. Dunckleman), Clarence; Maggie Tooke (Mrs. Claude Chapman), El Paso, Texas; Elizabeth Troth (Mrs. Jack Bell), Franklin; Winnie Valverde, Clifton, Ariz.; Shirley Wade (Mrs. R. L. Holmes), D'Arbonne; Rebecca Whitaker (deceased); Mary L. Wiley (Mrs. Jas. A. Pierce), Lecompte; Edna Williams (Mrs. J. H. Stephens, Jr.), 625 Stoner Ave., Shreveport; Elmo L. Wright, New York State.

APPOINTED CHIEF

Commander James W. Perkins, U.S. Navy, A.B. '40, has recently been appointed Chief Staff Officer of Landing Ship Flotilla Two at the Navy Amphibious Base, Little Creek, Virginia. He assumed his new duties on March 10.

Perkins was an outstanding player on the basketball team during his undergraduate days at the College. He entered the Navy in World War II and has been in service since that time.

He is married to the former Josephine Tarlton, A.B. '40, of Natchitoches, and they are presently making their home at 8424 Chesapeake, Norfolk 3, Virginia. Mr. and Mrs. Perkins have three children, James W., Jr. (Jay), age 14; Quilla Nan, age 10; and Bonnie Rene, age 6.

PISCOPO'S TEAM WINS AGAIN

For the eighth successive year the Demon gymnastic team copied the SAAU title when they piled up a total of 91 points to outclass Mississippi Southern College, runner-up, who scored 54 points. M.S.C. was pushed hard by the New Orleans Athletic Club for the runner-up position when the NOAC piled up 53 points.

Two other teams were entered in the meet, but finished with

less than 20 points each.

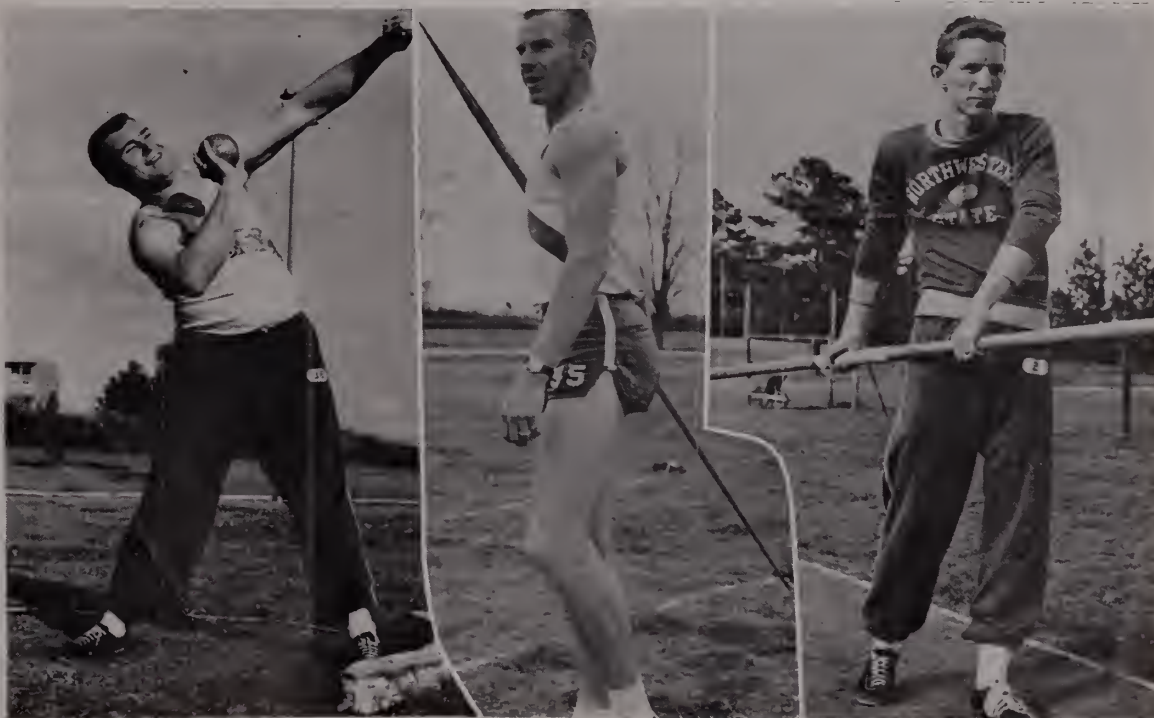

For the Demon gymnasts, Mickey Murphy placed first in both the long horse and the side horse. Bill Pearson, team captain, won the horizontal bar competition, and Tyrell Leach finished first in the rope climb.

The Gymnasts have a season record of 5 wins against one loss, their only loss in several years. This loss was to Florida State University.

SPECIAL SUMMER OFFERING

The summer session, June 10 to August 9, offers a number of special programs; **Teaching Science in The Elementary School**, July 21-23; Dr. J. Myron Atkin, U. of Illinois, Consultant; **Teaching Social Studies in The Elementary School**, July 8-10, Dr. Wm. H. Cartwright, Duke University, Consultant; **Education of The Bright and Gifted**, June 16-July 3, William C. Geer, S.R.E.B., Director; **Improvement of Instruction in High School English**, July 7-25, Dr. Mark A. Neville, The Latin School of Chicago, Director; **Improvement of Instruction in H. S. Science**, July 7-25, Dr. Chas. E. Burleson, San Francisco State College, Director; **Improvement in Instruction in Home Economics**, July 7-25, Miss Mary E. York, Greensboro, N.C., Consultant. For additional information consult Summer Session Announcements.

BERT HECKEL, LOU LIEPENS and ROBERT FARRAR

Here is another threesome of the track team who can be depended upon for points in any Conference meet. They are, left to right, Bert Heckel, (with the Hollywood smile), who takes part in both the shot put and the discus; Lou Liepens, present record holder in the javelin; and Robert Farrar, pole vaulter.

WILLIAMSON HALL —

women students. The new dining facility just west of Natchitoches Hall is also scheduled to be ready for operation.

South Hall, one of the old Navy barracks erected during the period immediately following World War II, has all the metal siding removed and will be refinished in brick and aluminum of the same type as that used in the renovation of West Hall. Eventually, it is planned to complete the three-unit group in a similar pattern. With the completion of South Hall, two of the units will be completely remodeled.

CORRECTION FROM LAST ISSUE

The announcement of the wedding of Miss Betty Jo Martin, 1446 Claiborne Avenue, Shreveport, in the last issue was an error. Betty Jo Martin did get married to Mr. Sneed, but she is **not the Betty Jo Martin of 1446 Claiborne Avenue**. The Column wishes to make apologies for this error. Since the names were the same, an incorrect assumption was made.

Betty Jo Martin, the one about whom we thought we were writing, is presently in Holland serving as Service Club Director for the U.S. Air Force, where she has been for the past two years.

She expects to return to the States in August. Thanks to Janette Pace Boswell for the correction. **IS OUR FACE RED?**
